What My Family Means to Me

There is no problem
No fear that is too great
That brought before the family
Will not dissipate.

When gloomy and lonely feelings
Are the order of the day,
There's always someone in the ranks
To chase the blues away.

Families need each other
Whether many or a few
Who else will love and cherish
No matter what you do.

A little voice inside tells me
I should walk with care
And no dishonor bring them
Or the great name I bear.

McDaniel-Kennedy Dedication

Mrs. Madeline McDaniel Kennedy and her family have long been friends and benefactors of Athens College.

As a young girl, Madeline McDaniel studied violin at the Academy of Athens College. Her parents were prominent citizens of Athens where her father, Dr. William T. McDaniel, served the town and the College as a dentist.

When Mrs. Kennedy and her husband the late Dr. Berthold S. Kennedy, travelled she collected a doll from each country she visited. This very valuable collection was so important to her that she gave it to Athens College.

When the Kennedys moved from the Belle Mina estate, some of her furniture was so special to her she gave it to Athens College.

Recently, Mrs. Kennedy assumed the $57,000 indebtedness on the Student Center thus relieving Athens State College of a $2,000 per month obligation from its operating budget for years to come.

The dormitory which is hereafter designated "The McDaniel-Kennedy Building" has been so named in appreciation of Mrs. Kennedy and in the honorable memory of her family for their love of and supportiveness toward Athens College.

Listen!

At your graduation exercises, the commencement speaker will say something to the effect that "the future of this nation is in your hands" or "you are being given a great challenge".

They always say things like that at graduation exercises. It seems to be the thing to do. They've said it so much that most folks expect it and don't even hear it.
That's bad... because it's true.

The future is in your hands... whether you hear it or not... and whether you like it or not.

Do something about it... Listen.
